### Greetings in Jesus!

So, here we are in May 2009! How did that happen so fast! Maybe it just seems fast because so many things are happening so quickly now. By the way, May 1st is a significant historical date. It was on May 1, 1776 the Illuminati was officially established. For those not familiar with the term, they got their name from being what they believed to be the Illuminated ones. Those small elite that put themselves above all else believing they had more wisdom and knowledge than the masses. I find it interesting that this small group which had no small part in establishing this nation still exist and are now running not only this country, but the world. I'm also reminded of the Scripture stating, "Thinking themselves to be wise, they became fools."

Actually, I really wanted to start out by saying THANK YOU SO MUCH to those of you who have helped keep this ministry going through your prayers and gifts of support! Let me share an update... In last month's newsletter under the heading of: Is this the end of Cultivate Ministries? I made mention of how the ministry had lost \$1,000.00 as of the last bank statement. I was kinda hoping after April's newsletter had gone out there might be a turn around but shortly after that newsletter went out, I got the next bank statement which showed the ministry dropped an additional \$1,500.00! At this point, I realized, well, this is it, there goes the ministry. I was very saddened to say the least. But apparently, some prayers went up and some support came in and as of right now, things are caught up again. But I must say, things are absolutely on a month to month basis now and because of the economic situation, crisis really, I must ask for your serious prayers concerning the continuance of the ministry. And if you are able to help with whatever gifts of support, whether it be monthly support or a one time gift,

know this... They are much more than greatly appreciated! Now, there are some of you who are already supporting financially. I don't want you to do more unless the Lord actually tells you to. You're already doing your part. But for those of you who are receiving this newsletter or are catching the broadcast who have not yet helped out, I would ask you to simply pray about it and if the Lord tells you specifically to help out, well, I don't need to say anything more.

### The Tea Party: What Really Happened...?

As you know, last month on April 15th many Americans protested our government over "Taxation without Representation". A take-off from The Boston Tea Party. You probably caught is on the news the next day. But as I had imagined, it was played down quite a bit. I mean, the news had to report on it because it was a news item. But they played it down so much, I couldn't believe it! The following is taken from the internet source, WorldNetDaily. Americans took to the streets to protest wasteful government spending today – with estimated crowd sizes of 5,000 to 15,000 in Atlanta, San Antonio, Oklahoma City, Olympia, Wash., Lansing, Mich., and Sacramento. At the California Capitol, a sea of red, white and blue U.S. flags waved above a large crowd that surrounded the building and spilled into city streets. Visitors arrived in yellow school buses from surrounding cities.

Sacramento tea party organizer Mark Meckler scanned the scene from behind a platform before the event. "It's unreal. It's beyond my imagination," Meckler told WND with a dazed look. "I can't imagine anything better than this."

Some protesters shouted at the Capitol building with megaphones: "Hey, tell Gov. Schwarzenegger to come out here!"

"We are leading a revolution, and this is the first day of that revolution," Meckler said. "Politicians will no longer be able to divide our nation. They are taking our money, and we aren't going to stand here and take it anymore." With booming enthusiasm, the crowd recited the Pledge of Allegiance and began wildly chanting, "USA, USA, USA!" Their voices could be heard from blocks away as the California legislature remained in session and lawmakers dared not venture outside.

Local businessmen, families with small children, military veterans and elderly men and women carried handmade signs with a variety of creative messages.

After speaking with WND, Meckler climbed the stage and asked the crowd, "How many of you have never been to a protest before?" The crowd erupted in cheers as thousands of tea partiers raised their hands. "Our politicians think that you don't pay enough taxes," Meckler said. "As we stand outside, the California legislature is in session." The crowd let out a thunderous "boo."

"We've had it!" Meckler shouted. "We're tired of being punished by politicians!" They cheered wildly and drowned out Meckler's voice, chanting, "Vote them out!"

Guests included Michael Reagan, Rep. Tom McClintock, singer Lloyd Marcus and Fox News' Neil Cavuto. "In the 27 years since I came to this building, I have never seen a protest this large," McClintock said. "The silent majority is no longer silent." He continued, "Some time along the way, we lost our country. Don't you think it's time to take it back?" The crowd applauded with excitement.

Air Force reservist Sgt. Kevin Steele told WND he returned from his second tour in Iraq two weeks ago. "I think this is just wonderful to see," he said. "I'm disappointed to see how much things have deteriorated since I left."

Asked for his thoughts on the Department of Homeland Security report warning against the possibility of violence by unnamed "right-wing extremists" and specifically singling out returning war veterans as particular threats, Steele said he was baffled and felt a deep sense of betrayal. "I couldn't believe it," he said. "I'm the guy they're watching now? Give me a break!" He continued, "You can send me over there and put a weapon in my hands, and now you worry about me? It's disappointing and disheartening."

California Highway Patrol officers, sheriffs and horse mounted city police surrounded the event on all sides. There were no noticeable arrests or acts of violence at the tea party. One Highway Patrolman told WND there were more than 5,000 people at the event.

Meanwhile, in Washington D.C., 1,000 people huddled beneath umbrellas in Lafayette Park across from the White House. The crowd consisted of a broad variety of protesters of different ages, nationalities and political parties. When the crowd was asked, several Democrats indicated that they were present as part of the protest. Many parents brought their children along, who were also carrying signs and chanting. Speakers at the D.C. event included talk-show host Laura Ingraham, Alan Keyes and Grover Norquist. The rally combined with another Washington, D.C., party after Secret Service members revoked a permit to meet outside the U.S. Department of Treasury.

As you can see much more took place in this country than what was reported on our evening news. And this is only the beginning! Because so many Americans are so upset by our government's spending and **taxation without representation**, many Americans now realize in order to save America, we need to do much more. How much more? Nothing less than a full blown revolution! **Viva Revolution! Right?**

Question: Do you really think the New World Order boys are not prepared for such? Of course they are! This has been in the planning for a very long time now! This is a revolution orchestrated by them! That's the double whammy here! They

want this to happen! Why? This is all just a part of their bigger picture of them establishing their New World Order! And, they're going to get it! Its Bible prophecy being fulfilled! It's in the Book of Daniel ch. 9. The 10 toes or the 10 nation world confederacy which will stand a short time just before Christ returns and tears the whole thing apart! Then, the real New World Order begins under a dictatorship of none other than Jesus Christ our Lord! This is when He sets up His 1000 year millennial reign. Satan and his demons are put away for that entire time. Total peace! The lion lays down with the lamb. The child will play with the asp (snake). The Church will have already been in heaven for 7 years and returned with Jesus at His second coming!

Getting back to the revolution thing, what about Christians? Are we to partake in this revolution? For many, it seems the right thing to do! After all, if we take back America, we can go back to being a Christian nation, right? Wrong! That's putting the cart before the horse. We are to save souls. Not nations. Anyway, that's what the New World Order boys want us to do. And believe me, they're ready for it.

### Another Jehovah's Witness gets saved!

A few month ago, a man needed some help with his Jehovah's Witness girlfriend. I sent him a CD and a couple DVDs. He called me recently to let me know his girlfriend, after just listening to that one CD realized she had been duped, got saved and is now attending a Christian church. See what happens when you care enough to reach out to a cult member?

### Countdown to Eternity...

Another great way to get ANYONE saved is to show them where we are in light of Bible prophecy. The first week of this month, I'm airing a DVD entitled: **Countdown to Eternity**. If you'd like a copy, it's available for a gift of any amount this month.

### The Gospel of the Anti-christ...

It seems more and more people are asking me if I think Obama is the anti-christ. And

each time before I answer I find myself being a little more hesitant. Let me say this. There are many who believe he either is the anti-christ or that he may be the anti-christ. Let's go to Scripture. "Let no man deceive you by any means, for that day shall not come except there come a falling away first, and that man of sin be revealed, the son of perdition." (II Thess. 2:3) Now, I heard it taught that this "falling away" is the rapture. Some translations say "departure" of the faith. But we also see the great apostasy taking place all around us. One way to know... The anti-christ is one day going to walk into the re-built temple in Jerusalem and proclaim himself to be god. Problem is, this comes much later. Do I believe the anti-christ is alive and well on planet Earth? Yes I do! He may also be in a place of power. Is it Obama? I'd have to say it's a little too early to say. Many things Obama is doing is certainly paving the way for the man of sin but I believe he's not revealed until the Church is gone. There's way too many of us that would blow his cover. There are many attributes to the anti-christ. They are revealed in the DVD The Gospel of the Anti-christ which I'm also airing this month. Also available for a gift of any amount.

### Googling the Rapture?

As you know, I'm not a date setter. Never have been, never will be! However, because others are doing their own calculations, it's always interesting to see what they come up with. The following are the results of searching the internet using a Google Search using various dates along with the search terms "rapture" and "Christ". Also a few other words. These are the amount of pages that pop up with those words.

December 21, 2012	10,700
July +2009	137,000
May +2009	391,000
May 2009	1740
September 2009	410
feast of trumpets" +2009	1810
feast of weeks" +2009	822

Shavuot +2009	991
Pentecost +2009	30,800
May 31, 2009"	656
May 29, 2009	88
September 19, 2009	10

Shavuot, or the Feast of Weeks, begins May 29 this year. Pentecost is on May 31 this year. Rosh Hashanah, or the Feast of Trumpets, begins September 19th. Just thought you might find this interesting.

More and more we are seeing movies about end times, the end of the world. Knowing, with Nicolas Cage, is about a 50-year old prediction of the destruction of the world. 2012 is an upcoming American disaster science fiction Hollywood movie which is based on a Mayan belief that the world will end in 2012.

So now that we see so many areas where people are looking at end times, it is important that we Christians realize that we are the ones who are "knowing". We may not know the day or hour, but we know we are in the ballpark. So what would you do if you did know the day of the Rapture? Would you start telling others that it's coming soon? Well you don't have to know the day or hour to know we are very close now. So it is important that you as an individual tell people such! Scripture tells us to do so!

*For the Lord Himself will descend from Heaven with a shout, with the voice of an archangel and with the trump of God, and the dead in Christ will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus shall we always be with the Lord. Therefore, comfort one another with these words. 1st. Thess. 4: 16 -18*

What words? The words you just read, giving the great hope of the Rapture of the church! This is a great way to get people saved!

This month I'm planning to air the audio portion of the DVD entitled **Left Behind: Where'd Everybody Go?** This film was

actually made to be left behind by Christians to be found by those who will be left behind. It starts out as news reporters around the world are reporting of this hard to believe phenomenal takes place. Then later, Peter & Paul LaLonde come on to explain what has taken place. A great DVD to have in plain sight near your DVD player for people to find after the rapture. If you'd like a copy, it's available for a gift of any amount this month.

### Another Cell Phone Problem...?

You may remember reports on cell phones emitting some low radiation. Here's something much worse! It has to do with spy software anyone can download from the internet. And anyone can do this from any location! You'll never know when you're being listened to, recorded and even put onto the internet. When your cell phone rings or you begin to dial out, with this new spy technology, the stalker's phone rings too! He can listen to your conversation with your boss, spouse or bank, totally undetected. He can then also access any phones of anyone to talk to and listen to any conversations about you.

What about text messages? All text messages also automatically show up on his home computer or cell phone. And there's no way he can be traced!

There's more! Using satellite technology, your every step is followed. Going to the store, your job, your bank or driving across the country! If you have a pattern, the stalker knows it! There more yet! You don't need to be using your cell phone for these things to work. It can be in your purse or sitting on the table at a restaurant or anywhere! The stalker can from any remote location, activate your phone anytime he wants to!

What can you do to protect yourself? You need to not only have your phone off, but also take out the batteries. But remember, as soon as you put them back in again, you can be stalked again!

### Michael Moore's Film, Sicko...

In Michael Moore's film "Sicko", he documents how bad our healthcare is in

this country and compares it to what's being done in other countries. In many countries, healthcare is either free or close to it! And in most cases, it's better too! There are medications in some other countries that you can't even get here. And most of the time, they're free!

Watching this film will get anyone very upset at our healthcare system. And rightly so! But there's a whammy involved. And yes, it's another aspect of the New World Order. Here's the bigger picture of the film. What Michael Moore did was to show how they got it right and we got it wrong and we need to be the same as the rest of the world. What we need is a one world healthcare system! It's pretty likely this is exactly what the ant-christ will do as he sets up his short-lived kingdom.

What can we as Christians do to combat this problem here? There's another DVD put together by a Christian friend of mine entitled: **The Medical Conspiracy** where he not only exposes what's being done wrong in this country and the lies out there which are making people sicker yet and dying, he also tells of what we can do through natural and inexpensive means to be healthier and in many cases, save our lives. If you would like a copy of this DVD, its available for a gift of any amount this month and do feel free to make copies and share with others!

### **Weaponized Flu Pandemic?**

You've probably heard about that new flu from Mexico. The swine virus? A closer analysis shows this to be a never-before-seen mixture of swine, human, and avian viruses. What does this mean? Looks like another manmade virus. Why? For the same reason the World Health Organization (W.H.O.) mixed the A.I.D.S. virus from the Green Monkey in Africa with a flu virus from man. For population reduction! This could be big! What can you do to protect yourself and your family? According to the U.C.L.A. Medical Dept. Colloidal Silver killed every virus tested in the lab. Over 650 of them! You can buy Colloidal Silver at most local health food stores for about \$40.00 for 6 ounce. Or, you can make it at home for pennies per gallon! How do you make it? With a Colloidal Silver generator. You need two strips of 99.9% pure silver

(about 6 inches long), a 9 volt battery, wires and alligator clips to attach the batter to the silver strips, some heat shrink, instructions and a glass of water. All of which(except the glass of water) come in the silver kit available here. The cost? Only \$20.00! Makes about \$5000.00 worth of Colloidal Silver. Many of you already have these and have been asking if you can just plug it in the wall instead of using the 9 volt battery. Yes! At Radio Shack you can purchase an adaptor (CAT. Number 273- 1668) The cost? About \$30.00 last time I checked.

With this adaptor you can increase the watts to 31.5 which makes smaller silver particles and only takes about 5 minutes instead of 15-20.

### **Silver and Gold Have I None...**

And the Scripture goes on from there saying, "but such as I have, give I thee. In the name of Jesus Christ of Nazareth, rise up and walk." (Acts 3:6)

Now this is the Scriptural healthcare system for believers! And it's the Word of God! Please note this is in the Book of Acts. And, the Book of Acts has no "amen" at the end. Why? Because it hasn't ended yet! There's still believers laying hands on others and they get healed by a miracle in the name of Jesus Christ! No insurance to buy, no premiums, no co-payments, no going to a doctor and no forms to fill out. But it seems that since many Christians don't see this happening all the time, we've seem to have gotten into a place of believing it just doesn't happen any more. Guess what...It does! Remember, it's God's Word! I believe the reason we don't see this as often as we should is simply because Christians, even Christians who have been baptized in the Holy Spirit thus given the 9 spiritual gifts listed there in 1st Cor. ch. 12 are afraid to step out and act upon His Word in fear that it might not work. I've seen a 10 year old kid whose 11 year old friend broke his arm on the weekend, went back to school on Monday with his arm in a cast and this 10 year old kid simply laid hands on and prayed for his friend and this broken arm was healed immediately. X-rays were done and found no broken bones! His cast was taken off that day and he was just fine! These two

kids went right on playing together just as if nothing had ever happened. Perhaps we need to just believe God's Word as easy as children do.

The reason I share things like The Medical Conspiracy is because I hate deception in all areas and the medical field is one of them. Don't get me wrong, doctors have helped in many ways and have saved the lives of many. It's just that our Lord has provided (even outside of the miraculous) ways of healing.

### **The World-Wide Financial Collapse...**

Now, maybe the rapture will take place this month. Or next month. Or sometime soon. But if we're still here for a while yet, it's pretty likely we're going to have to deal with this ongoing world-wide financial collapse. It does appear this situation can only be remedied by the mark of the beast which is made mandatory around the middle of the 7 year tribulation period. But what about now? How do you prepare? And everyone is saying to do this. Even David Wilkerson has said that if you can do it, have at least a month's supply of things around that you may need. Many others are saying precious metals to get you through the collapse. For those who can't afford much, silver is best. Monex is too expensive and will only sell large amounts but I found a Christian man, (Jason Hommel) who between he and his mom (who will sell as little as an ounce) have finally established phone lines for those who wish to order or even if you simply have questions. Here they are... Breana at: (530)913-4359, Janell at: (530) 913-0553 and his mom at: (916) 481-5656 10-4 Monday-Friday Pacific Time.

### **30 Club...**

For those of you who can't catch the broadcast but would like to obtain everything I air each month on CDs or DVDs (mostly DVDs) you can do so by joining our 30 Club. The cost? \$30.00 a month. Thus the term (30 Club). This is a great deal, too, because there's usually at least \$60.00 worth of DVDs and sometimes CDs on top of that. Also, this helps support the ministry. This month I'm planning to toss in a little nostalgic music too! Well, it's

actually a little more than just music. I went through my old Christian records from the 60's & 70's when the Jesus Movement was happening in Southern California and put together the best of the best onto a CD. This is something most of you never got to experience. Just let me know when you write if you'd like to join the 30 Club.

### **Ending Note...**

Again, THANK YOU SO MUCH to all of you who help keep this ministry going through your prayers and gifts of support. Really! As they say, I'll see you here, there or in the air!
