Greetings in Jesus!

Let me first start out by saying **THANK YOU SO MUCH** to those of you who continue holding up this ministry through your prayers! And also your gifts of support. Both of which are greatly appreciated!

So here we are in September! And so much is happening so fast! I have so much to share and not much room in this newsletter but I'll try my best.

Did Jesus Reveal the name of the Anti-christ?

I receive many e-mails. Sometimes more than I can go through. Sometimes these contain a short video from You Tube. Recently, I received one that caught my eye so I did take the time to watch it. Actually, more than once. Apparently, this one has been going around very much within the Christian community. Following are the typed words from the narrator. Now keep in mind that I am in no way saying Obama is the anti-christ. Again, just to make sure everyone remembers down the road... I am in no way saying Obama is the anti-christ! I can't do that! This could all be just an amazing coincidence. You decide. This is one of those things where you must be a good Berean and look things up in the Word of God for yourself! You should use a Strong's Exhaustive Concordance to check out the Greek and Hebrew. (The Bereans) searched the scriptures daily, whether those things were so. (Acts 17:11) By the way, I did a Google computer search typing in two words. Obama and anti-christ. Guess how many web pages came up. 1.8 million! Yet, we're not hearing any of this on the news.

Did Jesus really reveal the name of the anti-christ? I report, you decide.

This is an updated and more accurate and understandable version of my previous upload on the same topic.

In Luke chapter 10 verse 18, we read these words of Jesus:

And He said unto them, "I beheld Satan as lightning fall from heaven."

These words are written in Greek, and translated to English. However, Jesus probably spoke these words in Aramaic. Aramaic is a part of the northwest Semitic group of languages, which also includes Hebrew. Aramaic script was widely adopted for other languages and is ancestral to the Arabic and Hebrew alphabets.

Two words in this text are of particular interest – the words are "lightning" and "Heaven". Jesus said, "I saw Satan falling as lightning from heaven." In Greek, the word for lightning is "ASTRAPE". It has a direct Hebrew equivalent. From Strong's Hebrew dictionary, words 1299 and 1300 from the Hebrew language, the word for lightning is BARAQ.

In the Greek text of Luke chapter 10, the word translated as heaven in Greek is OURANOS. It can mean the Heaven of God, but it also carries with it the connotation of the heights, or a high place, or the domain of Satan himself.

Evidence of this is found in the same book of Luke in chapter 8 verse 5; when Jesus

speaks of the gospel being attacked demonically, he uses these words: "...and the birds of the air devoured it". Here, the most accepted context by Biblical scholars is that the birds are the demonic realm and the air is the realm of Satan from on high, or the heights. The Greek word used here for air is OURANOS, evidence that this Greek word is not always used in the sense of the Heaven of God, but it can be used for the heights or the high places or the domain of Satan himself. In Luke chapter 10 verse 18, this is the exact context of Jesus' words, "I saw Satan falling like lightning from the heights" or the high places, or from Satan's domain on high, or from the heavens or heaven.

If Jesus' word translated in the English text as heaven was referring to the Heaven of God, the Hebrew word would be SHAMAYIM. More than likely though, according to the context of Luke 10 and Luke 8, Jesus was not referring to the SHAMAYIM of God, but rather, the domain of Satan.

Now consider this amazing fact. The book of Isaiah is the source of origin of the Christian concept of Satan or Lucifer, in Isaiah chapter 14 verses 12 – 19 especially. In Isaiah chapter 14 verse 14, we hear these words spoken by Satan himself, "I will ascend above the heights of clouds. I will be like the most High." This matches the exact context of Jesus' words in Luke Chapter 10.

In the verses of Isaiah that refer directly to Lucifer, several times it is mentioned that Satan has fallen from the heights, or from the heavens. The Hebrew word used in this text for the heights from which Satan fell is Hebrew word number 1116 in the Strongs Hebrew dictionary, and it is pronounced "baw-maw". BAMAHA is most commonly used to refer to a high sacred place, as well as to the heights of the heavens or clouds.

So in Jesus' prophecy of Luke chapter 10 verse 18, if spoken by a Jewish rabbi in Hebrew, influenced by the poetry of Isaiah, he would use, in one form or another depending upon the exact wording and context, the words that come from the root forms of these two Hebrew words, BARAQ

and BAMAHA to describe Satan falling like lightning from on high.

Hebrew for lightning is "BARAQ", and Hebrew for the heights, or high places, is "BAMAHA". This fact is indisputable.

So was Jesus actually giving us a clue as to who the future anti-christ might be? Many believe so. It is possible that it is merely a strange coincidence. Yet it cannot be denied, if Hebrew words were used to describe Jesus' statement about Satan falling or coming to earth, perhaps as a man in the form of the anti-christ, the Hebrew words, BARAQ and BAMAHA would be used.

DISCLAIMER (printed at end of video)

This film is not to DECLARE that BHO is the antichrist. It is only a statement of fact concerning the use of certain Hebrew words in relation to the words of Jesus. The correlations are striking. Thus, the production of this film.

INSET (printed at end of video)

While other Biblical word associations and number associations have been found for other important people – (Hitler, Reagan, Bush, etc.)[sic] None have been this striking and quite this plain. It is certainly interesting regardless of one's politics!

New DVD! Obama...A Question of Eligibility

You've heard the controversy, was he born in Hawaii? Or Kenya? This just doesn't seem to be going away! And for good reason! Finally and just out, a new DVD made by the highly acclaimed Christian Watchdog group **World Net Daily!** What if the president of the United States is not constitutionally eligible to serve? Is it

possible that a straightforward criterion was overlooked during a long, grueling, expensive national campaign? Why are so many questions about something so simple still going unanswered? "A Question of Eligibility" goes where no other documentary has dared to go in seeking the answers to those questions, including one that millions of Americans are asking: Why won't Barack Obama release publicly the long-form birth certificate he claims to have from the state of Hawaii?

I have personally heard the interview with Obama's own grandmother where she stated she was present at his birth, **IN KENYA!**

In this DVD, you will hear from four experts in the subject: Dr. Jerome Corsi, author of the New York Times # 1 best seller "The Obama Nation"; Orly Taitz, the Southern California lawyer who has led the legal fight to secure the evidence of Barack Obama's eligibility; Alan Keys, a third-party presidential candidate in 2008 and the man who challenged Obama for the Illinois U.S. Senate seat; and Janet Porter, radio talk-show host and political activist who has championed this constitutional issue.

This new DVD **A Question of Eligibility** is available this month for a gift of any amount, and duplication is encouraged!

The Fall Feasts

There are seven main feasts mentioned in Scripture. Some are in the Spring, some in the Fall. One Fall feast is Rosh Hashana also known as the Feast of Trumps or Trumpets. Many Bible believers believe the catching up, or the rapture of the Church, (may) take place on (a) Rosh Hashana. This year, on my calendar, it falls on Sept. 19th. This would begin at sundown Israel time and last for 24 hours. I don't really trust my calendar all that much so you might want to check others as well. Also, if you really want to take an in-depth look at this, we have a CD on this by Chuck Missler entitled: **The Fall Feasts**. Available for a gift of any amount this month.

Is the Economy Really Getting Better?

From May to June, there were 155,000 jobs lost. From June to July, 422,000! Does this sound like things are getting better? I don't have more recent numbers in yet but we keep hearing how things are getting better. Even if a month goes by with only 100,000 more jobs lost, how long does it take until things are really getting better? Would the government really lie to us?

The Closing of the Post Offices

It was just a couple years ago I said how a part of the New World Order's plan was to eventually close down the Post Offices. I also mentioned this to employees at our local Post Office. Now they're listening to me! Recently now, you've been hearing this on the news. As I reported earlier, this would not really be because of economic woes, but for the purpose of the stopping of getting out information the New World Order boys don't want to let out. The electronic world of communication is easily monitored but there's not enough manpower to go through each individual letter. There's a list of each Post Office to be closed. How many Post Offices are going to be closed? They are reviewing 3200 for possible closure, with another 1600 in line depending on initial results. Keep in mind, this is only the beginning!

Banks Love Overdrafts?

Ever write a bad check? Back in the good old days, if you ever did write a check by accident slightly over what you had in that bank, the bank would kindly call you and let you know. They would tell you that you needed to come in and make a deposit before the end of the day or maybe even the next day. And if you were unable to do so, you would be charged a 2-3 dollar fee. No more! Today, the average fee for being overdrawn today is \$26.00! Why should the bank call you? They make money this way. Lots of it! How much nationwide annually? 38 Billion! **Thou shalt not borrow. (Deut. 29:12)**

Targets for Guns Campaign?

This kind of thing is now happening all over this country! Various governmental agencies are testing the waters to see just how easy it is to get guns out of the hands

of the people. It happened again recently in Fresno, California where gift certificates to Target stores were offered in exchange for guns. How long did this exchange last? Only 3 hours! They ran out of gift certificates. How ironic that they used the Target stores to target the taking out of guns that often-times are used for shooting at targets!

30 Club ...

Maybe you're unable to catch the broadcast but would still like to keep up with what's going on.

Here's a great way to do that. We have what's called our 30 Club. Anyone wishing to help support this ministry with a monthly gift of \$30.00 or more each month, may upon request, start receiving everything I air throughout the entire month. Sometimes these are on a CD but most of the time these are DVDS. Normally, DVDS cost \$20.00 each and CDS are \$5.00 each so this is not only a great deal, but it also helps support this ministry. So just let me know when you write if you'd like to become a part of the 30 Club. Thanks!

Have You Noticed the Weather Lately?

I sure have! We've seen an increase of severe weather all over the world! Last month we even had two tornados up here not far from where I live. Both on the same day! Tornados at 8,500 feet in the Colorado Rockies? And we're not even in Kansas, Toto!

This was the first year I decided to get serious about growing a garden. First came the hail which took out a few things but because I found this netting to cover many things, most survived. I've eaten more spinach than Popeye! But then on August 9th, the safest month of the year, temps dropped one night to 24.8 degrees! Lost everything! Except the spinach. Getting real tired of spinach! But I now realize the only way to have a successful food garden at this altitude would be with a greenhouse. I hope all of you are getting prepared to grow your own food. There's two DVDs I highly recommend you see if you haven't already. One is: **The Future**

of Food where you can see the plan the New World Order boys have and the other is: **God, Judgment and the Weather**, which will give you a better understanding on why the weather is doing what it is. Both are available this month for a gift of any amount.

The Colony

The Discovery Channel has recently begun a new series called "The Colony" where a group of 10 people are held up in a multi-thousand sq. foot warehouse in a city where they must learn survival skills in a post-apocalyptic world. With limited resources, they've had to learn how to obtain water from rain and filter it, create a power source from solar, barter things they don't need for things they do from those on the outside, establish security through basic weaponry, and learn a way to escape to a safer place outside of the city. I find the series interesting because, even though I don't feel the Church will be experiencing an actual post-apocalyptic world, the way things are going, the situation before then may become the same. You might want to catch it on The Discovery Channel or online.

Looking for Research Help: Are you a Berean?

Maybe you can help me here. I get a lot of emails here with a lot of information. But the internet, even though it's far better than what we catch from all other major news sources, can contain misinformation. So if you have some spare time on your

hands and access to the internet and you are a Berean, maybe I can send you some of these emails to go through and verify for accuracy, then you can email me back with your findings. This of course is not a paid position, I'm really struggling to get by as it is. But if you're interested in helping out, give me a call and I'll get your email address and we'll take it from there.

Shall I leave KKIM in Albq.? Your feedback please?

KKIM in Albuquerque, NM has changed my airtime to 7:45 A.M. and I really don't know how many people are listening anymore. The cost is tremendous! \$1000.00 per month! So what do you think? Just looking for a little collective wisdom here.

The Bird/Swine/Human flu Vaccine Mandatory?

Picture this... The government makes this vaccine mandatory. Not one, not two, but three separate shots required. And perhaps at separate times. There's talk now even about a fourth shot. You no longer trust in what the government is telling you so you deny taking these shots for yourself and your family. So you're driving into town for groceries and other supplies. You're pulled over at random. The officer asks for your driver's license, registration, proof of insurance and your proof of vaccine. You have everything but the last. The officer issues you a ticket for lack of vaccine and has you turn around and go home. Sounds crazy right? But this could become a real scenario. This is actually being talked about now! So, what do you do? If caught on a second offense, the officer keeps your driver's license and registration until you show proof of vaccine administered. Again, what do you do? The CDC reports that in the US there have been (to date) 7983 hospitalized cases, and 522 deaths. Worldwide, the WHO reports 182,166 "confirmed" cases (saying that the total number is really more) and 1799 deaths. The prevalent flu virus now is H1N1, and the number of cases is falling in the northern hemisphere, but rising in the southern hemisphere, where their flu season is just beginning.

So as you can see, there's not all that many that die from this flu. Also, I've read many reports saying that the vaccinations don't really help that much.

Preparation is always a good thing. Why not just play it safe and have the means of making Colloidal Silver at home for pennies per gallon? According to the U.C.L.A. Medical Dept., Colloidal Silver killed every virus tested in the lab.

Over 650 of them! Including the bird flu that took out so many. You can't buy Colloidal Silver generators at any store. You can find them online but they're very expensive. At least \$100.00! Or you can make one yourself for about \$25-30 dollars. Or you can get one here for less than it costs to make. Only \$20.00!

Free Library for Churches!

I am so saddened how so many churches never deal with the reaching out to those in the cults. Mormons, Jehovah's Witnesses, etc. And so many more! Those in world religions such as Catholicism, Islam etc. Also, other major topics like Creationism vs. Evolution, Reincarnation, Freemasonry, the Mind sciences, Yoga, Halloween, Satanism, the New World Order, the Rapture and other areas of Bible prophecy and False Teachings Within the Church. This is why I have now compiled an entire library of CDs and DVDs for churches whose pastors are simply willing to make these available through a library to their congregation. This entire library would normally cost \$400.00! All that is needed is for the pastor of your church to contact me personally and I'll send this entire library to him for free! Also this... Anyone who is NOT a pastor who also wishes to obtain this entire library to make copies available to others, it is available for 50% off or \$200.00. And of course, duplication of any of these are encouraged!

VHS Video Tape Sale!

Maybe you're like me and still use a VCR. Even though VHS and cassette tapes have pretty much been replaced by CDs and DVDs, I still use my VCR to record things from the news etc. Also, I still have a number of VHS ministry tapes around, so

this month they're going on sale for only \$5.00 each! And no shipping fees!

Here's what's available:

The Secret World of Mormonism
The Mormon Dilemma
Call to be Free
The Evolution Conspiracy
The Unwrapping of Christmas
Seventh Day Adventism – the Spirit Behind the Church
Halloween, Trick or Treat
Evolution: Hoax of the Century
Doorways to Satan

9-11: In Plane Site Revisited

Leading up to the anniversary of the 9-11 event this month, I'm airing the audio portion of the DVD entitled: **9-11: In Plane Site**. The news stations will probably make some mentions of this event and they will also show the most common footage as they do every year.

But what they won't show or talk about is the truth! This is the event that changed America forever. It was the beginning of changing America into Amerika. In the name of terrorism, a quantum leap of a lie to get Americans to believe we need to give up our freedoms for the help needed from Big Brother. Most still don't realize that Big Brother is actually the New World Order boys trying to create a one world government. And they will stop at nothing to achieve their goal.

The 9-11 Event is something we must never forget to remember. Yes, the 9-11 event was indeed an inside job. We know that now. But the secular media is not allowed to go there. They are not allowed to even show original film footage that was aired once, but never aired again. In this Christian documentary, you'll see how they lied to us about a plane hitting the Pentagon, how Building Seven collapsed without anything hitting it at all, how demolition charges were used, and so much more. If you would like a copy, it's available for a gift of any amount this month and do feel free to make copies and share with others.

About making copies...These fellow watchmen for the Church want this information to get out! Many times you might see a copyright on these but this is because if they don't put on a copyright, someone else can. Then the DVDs can't be distributed by those who made them! Crazy world isn't it? Kent Hovind had to do the same thing but then you'll see him in his videos encouraging people to make copies. Same with Alex Jones and so many others! It's a late hour! Let us work while it is still day. The night is coming when no man will be able to work. (John 9:4)

Important Note...

Will the person who sent in postal money order on August 17 from Nashville for a complete set of Kent Hovind's DVDs, Medical Conspiracy, and World Without Cancer please contact us. There was no name or address on your envelope.

Please always include your name and address on your envelope!

Ending Note...

I again just want to say thank you so much to those of you who help keep this ministry going through your prayers and gifts of support! Especially now that this country is in such dire straights financially. As expected, many ministries have lost support. I'm surprised this one is still going at all! But I try to keep things cheap. There's no studio or a staff of people running around. There is Linda who comes in 4 hours a week and also does what she can from her home. But other than that, I believe this ministry just floats along through your prayers and financial support. Both of which are greatly needed! Again, thank you so much!
