## **Greetings in Jesus!**

I must first start out by saying THANK YOU ever so much to those of you helping to keep this ministry going through your prayers and gifts of support. Without you guys, it couldn't be done!

To say things are happening fast now would be a major understatement! I have reason to believe we are now in a state of Terminal Velocity!

I read more than I wish I had to. Seems I'm constantly reading other watchmen's newsletters, catching the latest on the TV news, scanning the internet or watching the latest DVDs in order to bring you guys up to date on things of importance.

A few days before the end of June I received a newsletter from my friend Noah Hutchings. I found this odd because it came in early. Many days early! As I read, I realized this particular article was so well done and so jam packed with everything taking place today, that I really needed to share it with you guys so this is going to take up most some space here but I think you'll be glad you read it. This is simply entitled:

### **Perilous Times Have Come - Noah W. Hutchings**

I received a call recently from a disconsolate listener to our program, to wit: "You tell us about what the devil is doing in the world today; why don't you tell us about what God is doing in the world?" But this is exactly what Jeremiah's detractors asked him.

We all had rather receive a tax refund than a threatening overdue tax bill from the IRS. All of us enjoy and are blessed by new believers coming down the aisles to receive Jesus Christ as Savior and Lord rather than looking at increasingly empty pews. I indeed had rather be on the mission fields winning souls to the Lord than having to report the discouraging speeches of our president where he announces to the world that this is no longer a Christian nation. And, I had much rather visit with our listenership about how the Lord is blessing them than spend half my time on the telephone trying to counsel with discouraged Christians over their churches going into the apostate Purpose Driven Church movement.

Those who keep count say that I have written over 100 books. Some of these books are used in seminaries. But the most widely disseminated item I have ever composed was written in 2005 in less than one hour, a little 8-page tract titled, "Is Your Church Goin Purpose Driven? How Can You Tell?" We have sent out tens of thousands of these upon request. They are not copyrighted, and other ministries have copied them and mailed out millions. This past week Vic Eliason of VCY called to tell me that in just the last three weeks VCY-America has mailed out 8,000, even though they had been sending them out for the past three years. This is just one example of the discontentment and confusion that exists today in every venue of human society: the family, the government, the economy, the moral structure, education, and the churches.

While as Christians we may still find something in which we can find peace, satisfaction, hope and encouragement, in most remaining tenets of these entities which influence or make up our lives, the ugly truth is that God is warning us that we who

are living in the last days are not going to have much to be happy about.

Man has imagined everything possible to make our lives more pleasurable and easier: automobiles, airplanes, telephones, cell phones, air conditioning, radios, television, etc. Television itself has become a swamp medium to advertise millions of items that will make life for us easier, more comfortable, and happier. But now, life is more miserable for all of us. One of the happiest events in my life that I can remember is getting up at 4:00 a.m. to ride to the county seat in a wagon to gin a bale of cotton. The truth is, the more we have, the more we worry about.

I have been warning our nation about a coming global government for the past forty years. I have been warning about the balance of trade deficits and the taking of our factories and even service jobs overseas. And now, on the DVD produced by PBS that we are offering this month is exactly what we have been warning the nation about. This nation is now owned by foreign nations. We are \$55 trillion in debt. The whole is a sum of all its parts, so you and I are BANKRUPT! We have already lost our nation. God, because of unrepentant churches, has turned His back on us. Our government is dividing the land of Israel and God cannot bless us anymore. Our biblical signature is that our citizens had rather believe a lie than the truth. I have also just watched another 2½ -hour DVD titled Media Malpractice. This DVD covers the programming of our five media giants, which represent 90 percent of the current media outreach. For 2½ hours, TV clip after clip, shown are those sitting in Moses' seat today telling lie after lie. This DVD is substantive evidence that God has sent us a strong delusion for citizens to believe such lies

Mr. Al Gore is certainly worthy of the hard-earned title as the biggest liar in the world. His global warming film, An Inconvenient Truth, would be better named A Very Convenient Lie. This mammoth distortion has raised his global warming net worth from \$2 million in 2004 to \$100 million in 2008. He is soon to become the first carbon credit billionaire.

Over 31,000 scientists have signed a petition to the effect that global warming with its carbon credit scheme is a scam, or con. The majority of a 620 environmental science group this past year agreed. Russian scientists studied global warming and concluded it was a scam. Japanese scientists studied it and concluded it was astrology. CATO, an association of 100 prestigious scientists, wrote a letter to President Obama this month and stated concerning global warming, "Mr. President, in all due respects, you are incorrect." In spite of all the evidence and warnings that the Obama global warming/carbon tax program is a junk science/socialistic fraud, laws may come out of Congress to force Americans to obey a libelous law.

The latest member to join the messianic Obama administration, Cass Sustain, will - if he can - take all the guns from citizens, stop hunting, eating meat, and appoint government appointed lawyers for your pets; and as head of OIRA (Office of Information and Regulatory Affairs), will not only try to restore the Fairness Doctrine on radio and television, but also on the Internet (WNT, 4/29/09). However, restoring the Fairness Doctrine may not be needed. As Speaker of the House, petulant Nancy Pelosi wants the FCC to mandate that all radio or TV stations holding FCC licenses must be ordered by the FCC to limit licensee to programming

only in "the public interest" (Newsmax, 3/10/09). Of course, a new FCC director, appointed by Mr. Obama, could quickly determine "what is in the public interest."

<...>

There are also troubling reports concerning our support of Israel in spite of what our president promised during his campaign. According to an IsraelNN.com report of April 29, 2009, "U.S. President Barack Obama and his senior advisors wish to incrementally diminish U.S. strategic cooperation with Israel. Obama wants to make friends with our worst enemies and until now enemies of the United States. Under this policy Israel is more than irrelevant. We have become an obstacle."

Another strange action of an Obama appointee was reported by CNS News on April 22. We quote the headline: "U.S. Education Secretary, Arne Duncan, Signs Partnership with Chinese Communists Who Put Dissidents in Re-Education Camps."

It appears this great education program of Mr. Obama, which he promised, entails certain aspects of the Chinese educational system, which has both good and bad points. The good point is that when China changed its educational system after the trial of the gang of four in 1978, within 20 years the nation moved from a bicycle society to a new, completely ground-and-air mechanical society, with 130-story hotels, in just 20 years. The negative in the Chinese system is that if you don't conform to the Fascist/Communist system, they put you in one of their 1,000 re-educational prisons until you do conform. I spent a few hours in Chinese jails myself, a couple of times, for tell the people that God loved them so much that He sent His only begotten Son to die for them so that they might have eternal life, freedom, and the pursuit of happiness. The reader can guess why the Obama administration is to adopt the Chinese educational system.

The 9-page terrorist indictment, reportedly released by reportedly sexually confused director of Homeland Security, but actually written by the Southern Poverty Law Center, practically accused anyone driving in the right lane of being right-wing extremist capable of sadistic terrorist behavior. Of course, the so-called Poverty Law Center has more money to waste than all the Rockefellers and Rothschilds put together, and more paranoiacs than all the insane hospital psychiatric wards put together. Must be some inbreeding going on down there. This SPLC group, whoever they are, has identified 19 so-called right-wing/terrorist entities here in Oklahoma. I have lived in Oklahoma all my 86 years, except three years in the South Pacific in WWII, and if there is even one such group in Oklahoma, I know nothing about it. I really think we are apt to find more such suspected terrorists among the goofballs within the Obama administration. I really expected the president to pin six stars on William Ayres and make him the Ultra Supreme Commander of all U.S. military forces.

Putting all this nonsense aside, the real message of this so-called Homeland Security Final Warning Decree is: All you pro-lifers, Army veterans, gun ownership addicts, constitutionalists, patriotic citizens, just shut up and keep quiet until we take your guns, your First and Second Amendment rights, and put you off radio and television . . . or, we will tag you as an extremist or a terrorist, ride you on a rail out of town, or put you in a re-education center. That is the real message.

As far as Oklahoma harboring right-wing extremists is concerned, we have, I think, the best senators and congressmen of any state in the Union. Presently, we have the best economy and the lowest unemployment of any state. We love our Native American fellow Oklahomans. We would

welcome any outside investors or citizens who just want to get out of the rat race where they live .

Dr David Kaiser received a Ph.D in history at Harvard, taught in three universities, including Harvard, has written 15 books on history in 6 different languages, and served as a professor at the United States Naval War College He stated in reference to the past presidential election:

Mr. Obama's winning platform can be boiled down to one word: Change. Why?

I have never been so afraid for my country and for my children as I am now.

This man campaigned on bringing people together, something he has never, ever done in his professional life. In my assessment, Obama will divide us along philosophical lines, push us apart, and then try to realign the pieces into a new and different power structure. Change is indeed coming. And when it comes, you will never see the same nation again.

And that is only the beginning.

And what do 99 percent of the pastors and their congregations say? "... Prophecy not unto us right things, speak unto us smooth things, prophecy deceits: Get you out of the way, turn aside out of the path, cause the Holy One of Israel to cease from before us (Isa. 30:10-11).

And what does God reply? "... Because ye despise this word, and trust in oppression and perverseness, and stay thereon: Therefore this iniquity shall be to you as a breach ready to fall swelling out in a high wall, whose breaking cometh suddenly at an instant" (Isa 30:12-13).

<...>

Our current president, who was elected this past November, is certainly not responsible for the present economic woes of this nation that have caused so much unemployment and loss of homes. However, my concerns are the same as many in related circles of ministry and communications. When nations crumble into such crises, a totalitarian opportunist can place his own bureaucracy in positions of authority and change the form of government. In the past hundred years we have seen this happen in Russia, Germany, China, Cuba, Cambodia, and other countries. Those I have talked with in Christian communications believe our government is now in a fascist transition stage and could become Marxist within the foreseeable future.

Although at my age I may not be here at the next presidential election, if there is one, what has transpired in Mr. Obama's first 100 days is most interesting. However, I am more interested in his first 183 days, because then he will have 42 more months. Let us pray for him in that our country continue to be one nation, indivisible, under God. If not, then Christians will need to pray the last prayer in the Bible: Even so, Come Lord Jesus!

*Noah has been a watchman on the wall on radio since before Israel became a nation!*

### **America's Secret Destiny...**

Recently I was talking with my friend Ralph Epperson. You might remember... He's the one who wrote the book The Unseen Hand back in the 80's. He's also been interviewed a number of times on The History Channel. He's a great historian! I believe he's 81 now and Ralph is still at it! He just sent me his DVD entitled: **America's Secret Destiny: (evidence that America's founding fathers planned a**

**secret future for America).** If you'd like a copy, it's available for a gift of any amount this month.

### **Every Day Rapture...?**

There's been an increasing number of Christians looking at the reality of the soon rapture of the Church. As you know, I'm not a date setter but I've always been a date watcher. I even enjoy watching dates that others are trying to set and others yet who are just watchers themselves. By the way, we're told, "Watch ye therefore."

Well, one such past date was on May 30th (Pentecost) - also the date the 10 Commandments were give to Moses. Anyway, if you had done a word search on the internet using that date and the word "Rapture" quite a few web pages would pop up. I noticed this back in April. So anyway, just a few days before May 30th I did another internet word search again but I was a little surprised what popped up this time. Turns out, for some strange reason, most of those sites talking about the possibility of the rapture on that date were overshadowed by something new! There were tons of new websites talking about a new play opening in New York City on May 30th! The name of this new play? Every Day Rapture! Now think about it. What's the chance factor of this happening? Could it be that the god of this world (Satan) is also watcher? But for other purposes? This jerk tries his best to cover all bases. I don't think Satan knows the date of the rapture any more than I do. But I find it interesting that he had to start manipulating things at least months beforehand to do this. He had to manipulate not only the name of the play but also it's opening on May 30th 2009! And what better place to do this but in New York City! I had to laugh. But apparently, Satan himself also believes the rapture is close!

### **W.H.O. Declares Swine Virus World Pandemic**

On Thursday, June 11, 2009, the W.H.O. (World Health Organization) finally declared what is now being called the Swine Virus as a world pandemic. Do you remember me telling you they were going to play this down? Well, they sure did! For as long as they could! Do you remember what it was originally called? "The Bird-Swine Virus". Rightfully, this should have been called "The Bird-Swine-Man" virus because it was genetically created by man to hurt man utilizing a mixture virus of birds and swine. Don't forget, population reduction is the agenda here.

Who on Earth would do this? That's exactly right. The W.H.O. The World Heath Organization! Sounds nice doesn't it? Keep in mind this is the same New World Order organization that did the same thing when creating the A.I.D.S virus, introduced first into Africa and is now world wide! The news has now reported that it's best to wait until this fall to get a "Swine flu" shot. They also said you may need to obtain another flu shot after that. Why? For the Bird Flu?

Why not just have a Colloidal Silver generator around? According to the U.C.L.A. Medical Department, Colloidal Silver kills all viruses. Every single one they tested in the lab. Over 650 of them! I'm still making these Colloidal Silver generators available. Still only \$20.00 but this price may need to increase soon due to the price of silver.

### **Welcome to Sodom!**

As you probably know, Miss California Carrie Prejean lost her crown because when she was asked about where she stands on gay marriage, she said that she believed in the traditional marriage between a man and a woman. That was it! This created such a stir that her runner up Tami Farrel was given her crown. Later on Larry King, Tami with her attorney by her side was asked the same question. She would not answer yea or nay on the subject.

Can you see just how big this has become? How powerful the Sodomite voice is in this late hour? What you catch on TV doesn't even start to touch the tip of the iceberg! I was planning to air a DVD entitled: **Gay rights-Special Rights** but I was stopped by the Christian radio stations. They, too, are afraid. You need to know what's really going on. It's unbelievable! If you would like to obtain a copy of the DVD **Gay Rights-Special Rights**, it's available for a gift of any amount this month.

### **Harry Potter and the Half Blood Prince**

Seems ya can't turn around without another Harry Potter book or movie coming out. Well, its happening again this month. Opens in theaters on the 17th. Now I know we're in the last days and I can see the unsaved flocking to such witchcraft and sorceries but I really have a problem with Christians doing the same. Have you read the book? No, I don't mean a Harry Potter book, I mean the Word of God. In the Book of Revelation, ch. 2 verse 8 we see a list of those who will have their part in the lake that burneth with fire and brimstone. So, who do we find listed there? Unbelievers, the abominable, murderers (so we know how the Lord feels about abortions), whoremongers and **sorcerers**, and idolaters and all liars. As you know, the whole Harry Potter thing is based upon witchcraft and sorcery. To combat this, we have the Christian DVD **Harry Potter: Witchcraft Repackaged...Making Evil Look Innocent** which I've aired recently. If you would like a copy, it's available for a gift of any amount this month.

### **Who Really Goes to Heaven...?**

There is a basic mindset with most today that says, good people to go heave and bad people go to hell. But wait a minute! The Bible says all have sinned have come short of the glory of God.

Recently, I was talking to a neighbor who has major physical problems and may be looking at death. He told me when he dies, he will talk with whoever is in charge and try to explain how he did some bad things but also did good and hopefully weigh things out in his favor enough to get into heaven. I was able to set him straight! I also made up for him a copy of the DVD by John Ankerberg entitled: **Who Really Goes to Heaven** which I also recently aired. This too is available for a gift of any amount this month.

### **What About the Radiation Belt Surrounding Earth?**

It's called the Van Allen radiation belt. Starts about 1000 mile up and goes on for about another 1000 miles. So what about it? It's lethal! No living thing can get through it. NASA can send our toys through it but man? No way!

But wait a minute! What about the Moon landing back in 1969? Good question! Here's another one. Why did we never return to the moon? It's been 40 years! Many questions are answered in the DVD entitled: **A Funny Thing Happened on the Way to the Moon**. If you would like a copy of the DVD, it's available for a gift of any amount this month. Be prepared to be shocked!

### Messages From Heaven...?

Today, we have many people claiming they've seen aberrations of Mary. We also have those channeling messages from aliens from outer space. Question: Why are both of these groups telling people many of the same messages in order to save the planet? This month I'm planning to air the DVD entitled: **Messages From Heaven?** If you would like a copy, it's available for a gift of any amount this month.

### 30 Club...

Maybe you're unable to catch the broadcast but would still like to keep up with what's going on.

Here's a great way to do that. We have what's called our 30 Club. Anyone wishing to help support this ministry with a monthly gift of \$30.00 or more each month, may upon request, start receiving everything I air throughout the entire month. Sometimes these are on a CD but most of the time these are DVDS. Normally, DVDS cost \$20.00 each and CDS are \$5.00 each so this is not only a great deal, but it also helps support this ministry. So just let me know when you write if you'd like to become a part of the 30 Club. Thanks!

### Thy Kingdom Come

I just finished going through the latest DVD from Chuck Missler entitled: **Thy Kingdom Come** and boy, I gotta tell you this is one amazing study! We see in Matt. 6:10 the Lord's prayer. The first thing we're told to pray is "Thy Kingdom Come." And that kingdom IS coming! Yet so few Christians know what this is really all about.

Now is the time to prepare for that kingdom because it is coming fast!

Did you know that concerning the return of Christ to rule, there's 1845 references to it in the Old Testament? 17 books of the Old Testament give prominence to this event. There's 318 references to it in the New Testament and it's found in 216 chapters.

What about eternal security? This is something that's been going around and around in the Church since it began. Some say you can lose your salvation, others say you can't. Are you able to explain through the Scriptures why a true born-again Christian has eternal security? What happens after you get saved? Justification is past tense. It's already happened. Sanctification is present tense. Some say no, this is what you can become after being a Christian for a while, then after working hard, with the help of the Holy Spirit, you can become sanctified in time. Not so! But can you explain this to someone from the Scriptures? Glorification is future tense.

What's the difference between Calvinism and Armenianism? Chuck covers this too!

Did you know there's four unconditional covenants in Scripture? #1 is the Abrahamic Covenant (Gen. 12). #2 is the land covenant, the land God Gave to Israel (Gen. 15 & 17). This is what the whole Palestinian problem is all about today. #3 is the Davidic Covenant, and #4 is the Everlasting Covenant. What does it all mean? Chuck covers all of it!

How would you like to be able to explain Nebuchadnezzar's dream in Daniel ch. 2? The head of gold being the Babylonian Kingdom followed by the silver being the Persian Kingdom, followed by the brass or the Grecian Kingdom, followed by the iron being the Roman Empire, followed by the iron mixed with clay being Rome II. Chuck covers all of this too.

And what's with all of these number 12s? 12 Tribes, 12 Apostles, 12 kingdom of Heaven parables, 12 thousand sealed from each of the 12 Tribes? And concerning the New Jerusalem with its 12 gates and 12 foundation stones. And it's measured 12,000 by 12,000 by 12,000 cubits. Why? This is covered too!

And what about the 7 churches addressed in the book of Revelation just before the "come up hither" not only being 7 literal churches at that time but also 7 Church ages, that last one being the Church of Laodecia which represents the apostasy, the Church age we're in now?

Chuck covers all of this and so much more! There's no way I could write about all of this for it would take many newsletters! This DVD is done in two parts and is about 2 hours long and includes PDF notes and MP3.

Toward the end, he does an end-times update and brings everything into perspective. If you'd like a copy, it's available for a gift of any amount this month. Simply ask for the DVD entitled: **Thy Kingdom Come**.

### Ending Note...

Well what can I say? It's a late hour, the world is in perplexity, perilous times have come, deception is at an all time high, (including within the Church), apostasy is being called revival, many are giving heed to seducing spirits and doctrines of devils, few want to hear anything concerning the times in which we live and as expected, financial support is down. And to think, at an earlier time in my life I had the opportunity to become a high executive and perhaps now, President of Sherwood Williams Paints and become a multimillionaire living in a mansion in Rio instead of my 600 square foot cabin.

But ya know, I wouldn't have it any other way! Thanks so much to those of you who help support this ministry through your prayers and gifts of support. Both are greatly needed at this time.

Yours because His:

— Jim Zilonka
