

CULTIVATE MINISTRIES NEWSLETTER...October...2009

P.O. BOX 526 Florissant, CO 80816 (719) 630-1222 www.cultivateministries.org

Greetings in Jesus!

So, here we are in October already! How did that happen so fast? Seems like every month is going by faster than the one before. Perhaps this is because so much is happening so fast in these last days.

Well, I have much to cover this month, but let me start with saying how much I appreciate those of you who help keep this ministry going through your prayers and gifts of support! You guys are special to me and according to Scripture, "Great shall be your reward in heaven" (Matt. 5:12).

THE CULTIVATE BROADCAST THROWN OFF THE AIR!

That's right, with absolutely no notice, no phone call to talk things over, not even an email, Station Manager Doug Martin of KGMS Tucson cancels the broadcast altogether! I didn't even know about it until I received a call from a listener. Why did Mr. Martin do this? I called him. I was thinking it was because he disagreed with me exposing Obama by airing the Christian DVD, **A Question of Eligibility**, the one film which should be aired on Prime Time television nationwide!

Turns out, it's not likely the radio station ever even downloaded it to learn what I was about to air! The reason Doug Martin tossed the Cultivate broadcast off the air was because of the prior week's broadcasts, which was a tribute of remembrance of the 9-11 event, **9-11: In Plane Site**. I've aired something every year on the anniversary of the 9-11 event! He told me he didn't think it appropriate to air on Christian radio. When I asked why, he told me it was a personal matter with him because he has a son serving in the armed forces. All I could think of was...What! What! All the more reason he should want this information out! Absolute proof of the 9-11 Event cover-up. Why building #7 came crashing down when nothing ever hit it. Why we could see and hear the individual explosions as the towers came down. Why the hole in the Pentagon was only a few feet wide when it was supposed to have been hit by a 727. All of the original film footage that has not been shown since! Did you notice how they downplayed it again this year? I saw no film footage at all!

The sad thing is that so many listeners in the Southern Arizona area never caught the following week's broadcasts exposing Obama as an illegal President.

If you have not yet seen either DVD, **A Question of Eligibility** or **9-11: In Plane Site**, either one or both are available for a gift of any amount this month. Meanwhile, if you would like to contact the Station Manager of KGMS who stopped my broadcast, **Doug Martin**, to ask him to please put the Cultivate Broadcast back on, you can call him at the station at: **(502) 790-2440** or write to him at: **KGMS Radio, 3222 South Richey Ave., Tucson, AZ 85713**. If you call, make sure you're talking to him and not an assistant. I'd really appreciate it!

For those of you in Arizona, or others who cannot catch the broadcasts, now might be a good time to join the 30 Club. For a gift of \$30.00 or more each month, you may upon request start receiving everything I air throughout the entire month. This month they are all DVDs! Just let me know when you write if you'd like to do this.

The Number 7 in Gen. 1:1

Have you ever had a problem convincing someone the Bible is the Word of God? That even though there were many writers, there is only one author? If so, then you might want to cut out the following article and keep it around for witnessing purposes.

<You can view this video at

<http://www.youtube.com/watch?v=ZV0hUldrYp4>

or just go to YouTube.com and search on Genesis 1:1.>

In the beginning, God created the heavens and the earth. In the very first verse of the Bible, we find a remarkable piece of evidence of supernatural authorship. In the beginning. [Time.] God created the heavens . [Space.] And the earth. [Matter.] The Bible speaks of the creation of Time, Space, and Matter in the very first verse. For thousands of years scientists and philosophers had speculated about the basic components or makeup of the universe. It wasn't until the 20th century that physicists confirmed that the universe and its foundation consists of space, time, and matter.

In fact, space and time are so tightly linked that astrophysicists now speak of a space-time continuum. While scientific and philosophical speculations about the basic structure of the universe has varied widely, the fact that the universe consists basically of space, time, and matter, a scientifically accepted fact since the 20th century, was clearly foreseen in the very first verse of the Bible written 30 centuries ago.

How could the writer of Genesis and the first verse of the Bible have known of this scientific truth that would not be confirmed until over 2000 years later?

But also, in the very first verse of the Bible we find yet another astounding piece of evidence of supernatural or divine authorship. First consider this: it is an undeniable fact that the number 7 is a Biblical number of completion or perfection, or specifically, divine authorship. Over 500 times in the Bible the number 7 is used to show the touch of God or divinity upon something. This begins with these 7 first days of creation, and the 7th being declared by God as holy. When we look at the natural world around us, we discover that there are amazing arrays of 7s. There are 7 continents on the globe, modern geographical classification schemes count 7 oceans in the world. There are 7 colors in a rainbow. There are 7 notes on a musical scale. There are 7 stars in the Big Dipper, and this heavenly sign has been used to point to the north star or the guiding star since the most ancient of times. Seven objects in our solar system are visible to the naked eye. Seven digits in a row has been proven over and over to be the average limit of memory for most human beings. Thus we have only 7 digits in our phone numbers. There are seven metals of antiquity upon which civilization was based. The periodic table of elements consists of seven distinct levels. And on and on the sevens in the world around us go, each representing God's divine touch of completeness upon something.

Now with this in mind, consider again the very first words of the Bible. The very first verse, one sentence. Translated in English as "In the beginning, God created the heavens and the earth." it contains exactly 10 words. But in the original Hebrew, there are exactly seven words, and these seven words possess seven distinctive features of the number seven contained within that sentence.

As far as anyone has been able to determine thus far, only this one verse in all the Bible contains seven features of the number 7 out of seven words.

Consider these seven features.

- Feature number 1: The number of Hebrew words in this verse is exactly 7.
- Feature 2: The total number of Hebrew letters in the seven words is exactly 28, or 4 times seven.
- Feature 3: The three leading words in this verse of seven words are of course, God, the subject, and heavens and earth, the objects. The number of letters in the Hebrew words that make up these three words is exactly 14, or 2 times 7. The number of letters in the remaining words of the verse is also 14, or 2 x 7.
- Feature number 4: The expression of the two objects of this sentence, the heavens and the earth, in Hebrew is made up of 14 letters, or 2 times 7.
- Feature number 5: The shortest word is in the middle. The number of letters in this word and the word to its left is 7. The number of letters in the middle word and the word to its right is also 7.
- Feature number 6: There are three important nouns in this first verse: God, Heaven, and Earth. The numeric Gematria values of these three nouns are 86, 395, and 296, respectively. Gematria is the 3000-year-old Hebrew rabbinical practice of assigning numerical values to each of the Hebrew letters. When these three numerical values are added together, the total value is seven hundred seventy-seven, or 777, or 111 (one one one) times 7. In God's manner of Biblical expression, this triple intensification of His perfect number 7 is the strongest possible manner of speaking the touch of His divinity.
- And Feature number 7: The numeric value of the only Hebrew verb in this verse, "created", or *bará*, is 203, which is exactly 29 times 7.

These sevens, these numeric features or facts are strangely hidden beneath the surface. They are truly beyond the view of ordinary readers of the Hebrew text. And they are discovered only by special investigation, and counting. Surely they could not have been foreseen or purposely placed there by the original < meaning "human"> author. According to the law of chances, for any one feature of a seven word sentence to be a multiple of seven accidentally is only one chance in seven.

But for seven features of this one seven word sentence to be a multiple of seven accidentally is one chance in 823,543, an exponentially amazing impossibility, especially considering that the number 7 is used purposely by the Biblical writers over 500 times, from Genesis to Revelation, to indicate the divine touch of God.

It is as though God is telling those who have "eyes to see" in the very first verse that His divine touch is upon this word we call the Bible. This startling revelation of sevens has only been discovered in the last few years of human history.

Can We Lose Our Salvation?

Compass International is a pretty good organization. They sponsor seminars with some of the greatest speakers on End Times Bible Prophecy, False Teachings Within the Church, the Cults, and over-all Apologetics.

They also offer a mini Bible study via e-mail each day which I subscribed to a while back called: **Good Morning Lord**. In this same e-mail, they also answer frequently asked questions. Recently, they dealt with the question of eternal salvation. The following is that question and their reply.

DEAR COMPASS:

Could you please clarify the following: How does a person have eternal salvation with God and Jesus in heaven? Can a person live their life as an unrepentant adulterer, homosexual or sexual immoral person without effect to their salvation?

ANSWER:

A person is saved from the fires of hell, permanently/ forever, when they recognize and confess to the God of the universe that they are a sinner, separated from God, unable to save themselves, trust Jesus' shed blood in place of their own, and trust Jesus' defeat of death by His bodily resurrection.

Rom. 10:9 "if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you shall be saved;"

You were born in sin, it is nothing you do that sends you to hell.

Rom. 3:23 "for all have sinned and fall short of the glory of God,"

Rom. 5:12 "... just as through one man (Adam) sin entered into the world, and death through sin, and so death spread to all men,

Rom. 5:19 "...even so through the obedience of the One (Jesus) the many will be made righteous."

Rom. 6:23 "For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord."

Acts 4:12 "And there is salvation in no one else; for there is no other name under heaven that has been given among men, by which we must be saved."

Rom. 5:6, 8,9 "For while we were still helpless, at the right time Christ died for the ungodly. ... God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us. Much more then, having now been justified by His blood, we shall be saved from the wrath of God through Him."

1Pet. 1:3 "Blessed be the God and Father of our Lord Jesus Christ, who according to His great mercy has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead,"

We believe the Bible teaches that there is zero you can do to earn your salvation.

Eph. 2:8,9 "For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast."

Titus 3:5 "He saved us, not on the basis of deeds which we have done in righteousness, but according to His mercy, by the washing of regeneration and renewing by the Holy Spirit,"

We believe that there is zero you can do, or not do, to keep or lose your salvation.

Gal. 3:1-3 "You foolish Galatians, who has bewitched you, before whose eyes Jesus Christ was publicly portrayed as crucified? This is the only thing I want to find out from you: did you receive the Spirit by the works of the Law, or by hearing with faith? Are you so foolish? Having begun by the Spirit, are you now being perfected by the flesh?"

We believe that we can do nothing of value by our own efforts.

Is. 64:6 "...all our righteous deeds are like a filthy garment;"

But, we can do good things only if we allow God to do them through us.

Phil. 4:13 "I can do all things through Him who strengthens me."

1 Cor 3:10-15 shows that it is possible to be saved and still have everything we do post-salvation, from a works standpoint, burn up on judgment day.

Salvation is given, not only without merit, but also forever.

2John 2 "for the sake of the truth which abides in us and will be with us forever:"

Rom. 6:23 For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord.

1John 5:13 "These things I have written to you who believe in the name of the Son of God, in order that you may know that you have eternal life."

It is impossible to have God in us "forever" and not have God in us later (not forever). 1 John 5:13 above shows that God wants us to KNOW we are saved "eternally." He couldn't make that statement if He were waiting to see if we sinned and blew it in the future. He KNOWS we're going to sin again. Paul says:

Rom. 7:15 "For that which I am doing, I do not understand; for I am not practicing what I would like to do, but I am doing the very thing I hate."

Lastly, when you trust Jesus as your Savior, He washes your sins away—past, present and future.

Col. 2:13-14 "And when you were dead in your transgressions and the uncircumcision of your flesh, He made you alive together with Him, having forgiven us all our transgressions, having canceled out the certificate of debt consisting of decrees against us and which was hostile to us; and He has taken it out of the way, having nailed it to the cross."

How many of your sins were future when He died on the Cross?

Once you are a Believer, having God's Holy Spirit living in you, you are permanently sealed forever.

Eph. 1:13 "In Him, you also, after listening to the message of truth, the gospel of your salvation — having also believed, you were sealed in Him with the Holy Spirit of promise"

Eph. 4:30 "And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption."

It's fascinating to read in the verse above that we can sin, grieving God, but God has still sealed us forever.

Heb. 13:5 "...I will never desert you, nor will I ever forsake you,"

Therefore, it is all God, zero us, when it comes to works of the flesh in obtaining, keeping, or losing our salvation.

But if a true Believer ignores the Bible and its instructions, they could pay a price here on earth.

Gal. 6:7 "Do not be deceived, God is not mocked; for whatever a man sows, this he will also reap."

And if a Believer gets into blatant, unrepentant sin, God may determine it's best to kill the body and bring home the Believer's spirit.

1Cor. 5:5 "I have decided to deliver such a one to Satan for the destruction of his flesh, that his spirit may be saved in the day of the Lord Jesus."

1John 5:16 "If anyone sees his brother committing a sin not leading to death, he shall ask and God will for him give life to those who commit sin not leading to death. There is a sin leading to death; I do not say that he should make request for this."

So your question boils down to who you believe is calling the shots. Do we, by our works, dictate God's decisions? Or is God fully in control of all things? Do you believe in a Big God or Little God? We believe in the Big God—all knowing, all powerful. So it's not about what we do, or don't do, but what He did on the cross 2000 years ago.

Flu Virus and Vaccine Dangers Update

It's been reported October is the beginning of what could be a major pandemic which could take out hundreds of thousands or more! Yet there's tons of information (not on the 10:00 news) reporting the vaccine may be much worse than the flu itself! Now they've come up with a nasal spray instead of any shots! But still, they're saying there might not be enough so get it now! We already know that population reduction plays no small part in the new World Order. Why not just play it safe with Colloidal Silver? Kills every virus known to man. Buy it at your local health food store or make it at home for pennies per gallon. Colloidal Silver kits still available here for only \$20.00. Please, only one kit per household at this time.

Apostasy in the End Times Church

Have you ever been listening to Christian radio or TV or perhaps a sermon from your pastor or maybe reading a Christian book but found that something just didn't seem right? Something that just didn't line up with the Word of God?

Of course we've seen the many "name it, claim it" prosperity teachers out there for some time now. And they've gained quite a following! A following with itching ears who could have not endured sound doctrine, but after their own lusts have heaped to themselves teachers teaching things they want to hear! They have turned themselves away from the truth of God's Word! Well, this of course was prophesied to take place in the last days. II Timothy (4:3-4). Most Christians, especially here in America, have no clue just how great this Great Apostasy has become. Many are a part of it and don't even know it!

Recently, I received a DVD from Dr. Dave Reagan, Founder of Lamb & Lion Ministries where Dave takes an in-depth look into this prophesied event. Now, I already knew much of how bad things have become, but the first time I went through this DVD, my mouth dropped open often!

Well, I went ahead and aired this exposé and I'm sure many more mouths dropped open! When you see it all put together in perspective, you can see plainly, this prophecy is being fulfilled very fast now.

If you would like a copy of this DVD by Dave Reagan, it's available for a gift of any amount this month. Simply ask for the DVD entitled: **Apostasy in the End Times Church**. And do feel free to make copies and share with others!

Are There Many Roads to God?

Recently, I was talking to a neighbor who was fishing at one of our lakes up here. His name is Chuck, just so you can pray for

him. As usual, I tried to bring this into a witnessing situation. Turns out, Chuck fought in Viet Nam and had traveled all around the world. As he traveled, he learned of many world religions. He even practices many of them today. He's getting older now and he gets sick from time to time and has had a few close calls with death. I asked him if he knew where he was going when he dies. He told me that when it comes to his time, he will simply think of all the world religions he's learned of, and weigh out the good he's done along with the bad and hopefully he'll be okay in the end. He told me about Buddha, Mohamed and Confucius and said to me that all religions are basically the same. Of course I told him of Jesus and he replied, "Yeah, Christianity goes right along with the rest. I told him, "Chuck, only Jesus died for your sins and then rose from the dead." He didn't have much to say after that and packed up his fishing gear and headed home.

It seems some thing never change. Back in the 70's shortly after I got saved, I kept running into situations like this. I'm sure you have too. Being somewhat frustrated back then, I asked the Lord to help me to reach out to these kind of people. Shortly afterwards, someone gave me a hand full of cassette tapes dealing with these situations. I remember the name of one man being of many of those tapes. It was Ron Carlson. Even way back then, Ron had traveled the world and was considered a major authority on the cults and world religions.

About 30 years later now, I just came upon a new conference for 2009 and who do I find as one of the speakers? Ron Carlson! He's still traveling the world warning people against the dangers of the cults and world religions! This guy has never stopped!

I was eager to watch his DVD entitled: **Are There Many Roads to God**. I was not disappointed! He's even better now than he was 30 years ago! And now he has even more storied of miracles God has and is still doing. While watching his DVD, there were times I laughed and times I wept. Especially when he would begin to break up himself as he told of what the Lord did on his last journey into Cuba.

I began airing this the last week of September and it goes through the first couple days of this month. If you would like a copy of this DVD and don't mind shedding a tear or two, it's available for a gift of any amount this month. Simply ask for the DVD entitled: **Are There Many Roads to God**.

The Bible Driven Church

Many years ago, Great Britain experienced a great revival and because of this, she did great things for the Lord. The entire nation was a Bible driven nation! Multitudes were saved throughout that nation and all over the world because of her. The once great and powerful Bible driven Church in Great Britain plummeted. Now, Great Britain is really just Britain, a nation full of Muslims.

The next Nation that became a Bible driven nation was America. Multitudes were saved not only in this nation, but all around the world through missionary work. History is repeating itself as it has so many times before.

On September 25th, there was an organized call for 50,000 Muslims to meet on the steps on the west front of the Capitol Building in Washington DC to pray to Allah. The same place Obama gave his inaugural speech. Do you think this was just a coincidence? The Muslim faith is taking over America fast! What do you think the God of the Bible, who says He is a jealous God, is thinking right now? What will His judgment be? I expect something soon!

So, why is all this happening? Because America is no longer a Bible driven nation! What once was a Bible driven Church in America no longer exists. The Bible driven Church is being rapidly replaced by the "seeker sensitive church", the "outside of the Bible revelation church", the "market driven church", the unity driven church, the Tradition driven church, the "purpose driven church", the "emerging church", and some would even say, the "devil driven church".

Without a return to a Bible driven Church, there will be no hope! But it can be done! The question is... Will it be? This is pretty much up to the Church! Many of you have already found refuge in small home churches. This has been going on for some time now. In my opinion, these small home fellowships are far better than large churches that have fallen into these various areas of apostasy. This is how the early Church started. And look how it grew! After Chuck Smith, founder of Calvary Chapel, got tossed out of his pastor-ship of a large denominational church, he started a small home Bible study. Just a few men and their wives. Out of this small home Bible study came Dave Hunt, Founder of the Berean Call, Chuck Missler, Founder of Koinenia House, and Hal Lindsey. All are on Christian Radio or TV, writers of many books and so much more!

If you would like to better understand the vast differences between the Bible driven Church and all of the counterfeits out there in these last days, I would suggest watching the new DVD: **The Bible Driven Church** with Mike Gendron. It's available this month for a gift of any amount and again, do feel free to make copies and share with others!

Viva Revolution!

During the second weekend last month there was another march on Washington. These are people trying to save this nation. On the news this was really played down. Even Fox News who often tells more truth than most reported there were tens of thousands in attendance. But those who were there said it was between 1.5 to two million!

Halloween: Trick, or Treat?

I don't believe it necessary to explain the dangers of participating in this most unholy event. But if you have friends who believe there's nothing wrong with celebrating this satanic un-holy day, and would like to share with them the truth behind Halloween, we have the DVD **Halloween: Trick or Treat?** available for a gift of any amount this month.

Ending Note...

Again I just wish to thank those of you who help support this ministry through your prayers and financial support. The Lord is using you in a great, mighty way that you may not realize until later, but will last for all eternity.

Yours because His:

- Jim Zilonka
